FRIDAY, JULY 23RD, 2010

8:00 A.M. REGISTRATION & CHECK-IN WITH CONTINENTAL BREAKFAST

8:30-9:30 A.M. ECLB #0008269 - 1 HR (T) - LEED Looks at Lighting- Presented by Allen Weiss, SESCO LIGHTING, Winter Park, Fl. This program will help you understand the basic changes that occurred between the previous LEED rating systems and the new LEED 2009 systems. You will learn the 29 lighting and energy related credits in the U.S. Green Building Council's LEE-NC 2009 and be able to interpret and apply the methods for each of these credits to your current LEE-NC 2009 Project.

9:45-10:45 A.M. ECLB #0008274 – 1 HR (T) - Electrical Safety Training. Speaker, TOM BRISTOLL, RAMS/RPG, Tampa, Fl. This program covers electrical category ratings, ARC Flash hazards, test equipment safety inspection, power quality basics, inspection of tools and application tips and power quality application examples.

11:00 A.M. 12:00 P.M. ECLB #0008275 – 1 HR (T) - Safety Training for Hurricane Reconstruction Speaker, TOM BRISTOLL, RAMS/RPG, Tampa, Fl. This presentation includes supplies necessary for travelers when sending them on assignment, medical emergency plans, hazards to be encountered and how to be prepared for exposure. An excellent program as we enter the hurricane season.

12:00-1:00 P.M. ECLB #800132 – 1 HR (B) – Review of F.S. Chapter #489, Part II with Lunch Served for All Attendees – Speaker, Clarence Tibbs, STE Electrical Contracting, Inc. and Member, ECLB. Who better to explain the rules & regulations of F. S. 489 Part II than past Chairman, Clarence Tibbs? This Statute governs your license and you should be fully aware of its intent.

1:15-3:15 P.M. ECLB #0008253 - 2 HR (T) – False Alarm Management, presented by Bob Neeley, Executive Director, Alarm Association of Florida, Inc. Mandatory Credit for License Renewal for State Certified Contractors whose companies do alarm dispatch reduction as identified in F. S. #489, Part II. Also qualifies for 1 HR. Advanced Core for Building Code Update. Therefore, you obtain 1 Technical Hour for Alarm Reduction as mandated and 1 Advanced Core Hour by attending this class.

3:30-4:30 P.M. ECLB #0800135 - 1 HR (B) - Job Foreman Education, presented by Joe Bell, Territo Electric, Ocoee, Fl. Items to be reviewed and discussed during this program will be the responsibility of an electrical foreman, what skills and traits are necessary to achieve excellence, understanding the scope of work documents, why keeping up with paperwork is imperative and how to work – effectively- with inspectors.
