INDUSTRY TRUSTEE SPONSORSHIP PROGRAM

To our FAEC members...we have listened to your concerns about sponsorships and donations and we believe we have come up with a viable solution that will be mutually beneficial to you and FAEC.

The FAEC Board of Directors is proud to announce the Industry Trustee Sponsorship Program.

Are you tired of constantly being hit up for donations throughout the year? If you answered yes to that question then you are among the majority of your industry peers. Simply put, this program offers you the opportunity to contribute one fee for several benefits for one year.

Sound interesting? Keep reading! Yes, there's more!

Becoming an Industry Trustee insures your exposure at all FAEC programs and events throughout the entire year. Trustees will be listed on all advertisements including, but not limited to, the FAEC website, promotion at events, golf tournament signage, BBQ signage and many more. In short, *Industry Trustee company names and logos will be in front of all our current members and potential members repeatedly throughout the year.*

Once a Trustee is accepted, they will retain Trustee status year after year for years to come provided the following does not occur:

- 1) **The Trustee elects to drop their Trustee Status.**
- 2) **Trustee payments are not kept current.**
- 3) **Trustee does not comply with the FAEC Code of Ethics.** In this case the FAEC Board of Directors would determine the severity of the action to determine whether termination of sponsorship is warranted. It would take a three quarters majority vote from the Board to terminate any Trustee Sponsorship.
